PROFESSIONAL PROFILE

UGC-NET qualified Geography postgraduate with a strong academic record and demonstrated research aptitude in geomorphology, remote sensing, and environmental systems. Experienced in geospatial analysis of land-use and land-cover change, coastal processes, and river-basin dynamics, with a clear focus on evidence-based approaches to sustainable environmental management and applied geographic research.

SKILLS

Geospatial	Remote Sensing, GIS Mapping, GPS Fundamentals, ArcGIS, QGIS, Google Earth Engine
Software	Microsoft Office, ArcGIS, QGIS, Vibe Coding (VS Code), Jupyter Notebook, Google Colab
Academic	Scientific Writing, Data Interpretation, Oral Presentation, Analytical Thinking

EDUCATION

M.A. Geography — Om Sterling Global University Pursuing

Relevant Modules: Resource Geography, Soil Geography, Biogeography, Hydrology

B.A. (Hons) Geography — Noida International University 2019 – 2022

First Division with Distinction | Final Percentage: 81.79% | Final Year CGPA: 9.20

Relevant Modules: Geomorphology, Fundamentals of Remote Sensing, GIS & GPS, Climatology & Oceanography, Natural Hazards & Disaster Management

ENTRANCE QUALIFICATIONS & COMPETITIVE EXAMS

- UGC-NET (Geography) — Qualified for Ph.D. Only category in three consecutive cycles: 83.87 percentile (June 2024), 86.29 percentile (June 2025), 80.85 percentile (June 2026).
- Odisha CPET PG Entrance Examination 2022 — State Rank 16 (General Category), Score: 78.36. Secured admission to M.A./M.Sc. Geography at Ravenshaw University, Cuttack.

EXPERIENCE

HR Volunteer — Suvidha Foundation (Vriti 2026, Zakir Husain Delhi College, University of Delhi) 24 March 2026

- Represented Suvidha Foundation; conducted interviews to hire students for internship programmes.
- Assisted in recruitment coordination, candidate evaluation, and high-volume applicant interactions.

Volunteer Intern — Suvidha Foundation 10 Mar – 10 Apr 2026

- Assisted organisational and outreach activities; contributed to environmental and social impact initiatives (tree plantation, donation drives).
- Developed teamwork, communication, and coordination skills.

RESEARCH PUBLICATIONS & ACADEMIC ENGAGEMENT

Manuscripts Under Review (Scopus-Indexed Journals) — 2024–2025

- A Spatiotemporal Analysis of Landuse/Landcover Changes in Cuttack District, Odisha Using MODIS Time Series Data (2011–2022).
- Exploring Local Community Perspectives: A Study of Mahanadi River Pollution in Cuttack District, Odisha.
- Flood Risk Management and Water Quality in the Mahanadi River Basin.

Conference Presentations — April–October 2025

- Oral: “Geospatial Indicators for Biodiversity Conservation” — International Conference on Geospatial Innovations for Biodiversity Conservation, University of Delhi (April 2025).
- Poster: “Integrated Use of Geospatial and Biotechnological Tools for Mangrove Conservation along Odisha Coast” — International Conference on Climate Change and Sustainable Development, Jawaharlal Nehru University (October 2025).

TECHNICAL CERTIFICATIONS & TRAINING

- IIRS-ISRO Edusat Outreach (2020): Basic Principles of Remote Sensing; Applications of Geoinformatics in Ecological Studies; Planetary Geosciences (Moon & Mars); RS & GIS Applications.
- Geological Survey of India (GSI), Hyderabad (2021): Basics of Geomorphology (6 June – 6 July 2021).
- Central University of Karnataka (2020): 21-day Online GIS Training using QGIS.
- INCOIS, Ministry of Earth Sciences (Aug–Sep 2026): Data Management, Statistical Methods, Data Analysis & QC; Visualization of Oceanographic Data Using Open-Source Tools.
- Other: NPTEL Soft Skills (IIT Kanpur); Earthquake Risk Mitigation (NIDM & NEHU); Atmospheric Processes Workshop (GBU & IMS); SSC Computer Applications.

ACHIEVEMENTS

- Certificate of Appreciation — Vriti 2026, Zakir Husain Delhi College (HR Volunteer role).

EXTRA CURRICULAR ACTIVITIES

- Participated in Climb Up Adventure Education Camp (December 2014).
